**No written board, no adjudicator news; one upgrade – player in OK requested an upgrade, and attended 9 contests..if you're able to grab the opportunities that are out there, you can have a good chance of having a successful upgrade...unusual in that it was al lindoor contests, but they are out there.** **Tom Weithers**

**No report, audio was bad...** **Scott McCawley**
10. **President's Report**  
**Jim thanked the board and the area-representatives for their contributions to the association; a lot of experience in our area-representatives. Overview of the interview #1 of the interview series hosted by MWPBA and published on YouTube. Thanked everyone for the donations from the 2020 Contest Entry refunds. Members (band & solo) from 2020 will be carried over to 2021, so no need to re-register, as the MWPBA is in a financial position to do so. Bands will have to update/refresh their rosters & registered instructors for 2021, though. Robert Irwin scholarships (Grade 3 & Grade 4 Jr.) are to be expanded in 2021 to include snare drumming; individuals still under age 18 to be qualified to**

participate in the program. We are unsure if the MWPBA will have regional contests, but scholarships will move forward for 2021. All of the game sponsors but one have indicated that their games will be happening in 2021, at the same weekends as they normally occur on; RSPBA PDQB learning certificate program should be available soon; further discussion of the proposed Springfield Highland Games on 5/15/2021.
