Figure 1 shows a 10x10 grid of 100 squares. Each square contains a number from 1 to 10. The numbers are arranged in a pattern that resembles a staircase or a series of connected paths. The numbers 1 through 10 are distributed across the grid, with some numbers appearing multiple times. The grid is divided into 10 columns and 10 rows. The numbers are arranged in a way that suggests a sequence or a path through the grid.

The figure shows eight 5x5 grids, each representing a step in a sequence. The top-left cell of each grid contains a number indicating the step number. The grids show a pattern of alternating black and white cells, with the pattern becoming more complex as the number of steps increases.
